

3rd Edition of

International Alzheimer's Disease & Dementia Conference

Theme: Beyond Boundaries: Global Advances in Alzheimer's and Dementia Care

05-07TH
JUNE
2025

Our OCMs

YONG XIAO WANG
Albany Medical College,
United States

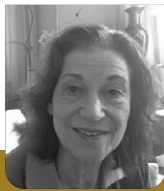

NAZNEEN N DEWJI
Cenna Biosciences Inc,
United States

BIN HU
University of Calgary, Canada

JACQUELINE TUPPEN
Cogs Club, United Kingdom

LONDON JACQUELINE
Paris Diderot University, France

Scientific TOPICS

- Stages and types of International Alzheimer's and Dementia
- Diagnosis and Early Signs of Disease
- Treatment of Alzheimer's and Dementia
- Risk Factors Associated with AD and Dementia
- Synergistic Mechanism and Effects on Progression
- Coronavirus and Neurodegenerative Disorders
- Biomarkers for AD and Dementia
- Cognitive Decline and Impairment
- Etiology, Epidemiology and Pathogenesis
- Genetics in Alzheimer's and Dementia
- AD Drug Development and Animal Models
- Clinical Aspects of International Alzheimer's
- Psychogeriatrics of AD and Dementia
- Molecular and Cellular Biochemistry in Pathological Prediction and Disease Mechanism

VENUE
NH Villa Carpegna
Via Pio IV, 6, 00165 Roma RM, Italy

Keynote Presentations

London Jacqueline, Paris Diderot University, France

Title: Down's syndrome (trisomy 21) and alzheimer disease: A common medical and scientific fight

Matthias W Riepe, Ulm University, Germany

Title: Memory should be the primary endpoint in early AD

Zhenhuan Liu, Guangzhou University of Chinese Medicine, China

Title: Quality of life children with autism spectrum disorder

Oral Presentations

Charikleia Karastamati, University of Pavia, Italy

Title: Electrophysiology and alzheimer's pathology: A scoping review on eeg correlations with CSF biomarkers

Alford Madeline, CESPU University, Portugal

Title: Vascular effects during neuroinflammation

Karen P Y Liu, Western Sydney University, Hong Kong

Title: Semantic-based memory-encoding strategy in enhancing cognitive function and daily task performance for older adults with mild cognitive impairment: A pilot non-randomised

Akankunda Veronicah, Golden Age Elderly Homes Kampala, Uganda

Title: The vital role of care homes in supporting individuals with neurological conditions

Oral presentation slots are available

Poster Presentations

Nicholas Kendrick, Kaiser Permanente Mid-Atlantic Permanente Medical Group, United States

Title: Effects of dementia on incident Post-COVID Conditions (PCC) in patients with SARS-CoV-2 (COVID-19)

Mariana Medeiros Assed, University of Sao Paulo, Brazil

Title: Validation study of the cogniscan computerized test for memory and processing speed in a Brazilian sample

Poster presentation slots are available
